

HEALTH AND SAFETY POLICY

HEALTH AND SAFETY POLICY STATEMENT:

Wolverines Sports Incorporated is committed to encouraging our members to take part and the health, well-being and safety of each child is our priority. We encourage levels of training dependent on age and ability, and expect our members to participate within these boundaries.

HEALTH AND SAFETY POLICY:

To support our Health and Safety policy statement we are committed to the following duties:

- Undertake regular, risk assessment of the training fields utilized by the club.
- Create a safe environment by putting health and safety measures in place as identified by the assessment.
- Ensure that all members are given the appropriate level of training and competition by regularly assessing individual ability dependent on age and development.
- Ensure that the club's health and safety policy is accessible to all members, parents/caregivers.
- Appoint a competent club member to assist with health and safety responsibilities as health and safety coordinator.
- Ensure that emergency procedures are in place and known by training leaders.
- Provide access to adequate first aid facilities, telephone and qualified first aider as much as is reasonably practicable.
- Report any injuries or accidents sustained during any club activity.
- Ensure that the implementation of the policy is reviewed regularly and monitored for effectiveness.

AS A CLUB MEMBER YOU HAVE A DUTY TO:

- Take reasonable care for your own health and safety and that of others who may be affected by what you do or not do.
- Co-operate with the club on health and safety issues.
- Correctly use all equipment provided by the club.
- Not interfere with or misuse anything provided for your health, safety or welfare.
- Parents/caregivers are expected to provide supervision of their own children during training sessions.
